Old Business

After a brief discussion on P.A.T. services, the District is still trying to work with Appleton City on a system to keep information organized. This item will be tabled until the next Board meeting.

The Board would like to setup a workshop during November. We will discuss this further as that date gets closer.

A motion was made by Mr. Meredith and seconded by Mrs. Bullock to request a written

proposal from the Appleton City R-II School Board with the changes they are requesting for the Baseball co-op for the 2020 season and return the written proposal to the Montrose R-XIV School Board by September 11, 2019 for the next Board meeting. The Board requested that the following items be included in the written proposal along with the District that is responsible for said items; reason for wanting to change the MSHSAA approved 2019-2020 current co-op contract, hosting, scheduling, location, expenses (transportation, equipment, uniforms, officials, coaching staff, etc.), decision making (who is involved). Motion carried 5-0.
